PROFESSIONAL EXPERIENCE

Growth Manager & Operations Associate | NexaHomes Pvt. Ltd., Hyderabad
May 2025 – August 2026

- Owned end-to-end relationship management for 120+ residential clients, translating requirement gathering and value-based pricing into customization-led offers that sustained engagement from first visit through post-sale delivery.
- Led competitive intelligence and market research across Hyderabad's residential landscape (benchmarking My Home Group, ASBL and others) to identify service gaps and inform differentiation and growth strategy.
- Owned post-sale execution across 120+ engagements: coordinating upgrade requests, vendor handoffs, and sales-to-delivery alignment to reduce typical post-closing drop-offs.
- Converted field and customer data into structured MIS reports and dashboards for leadership using Microsoft Excel (Pivot Tables, VLOOKUP, Conditional Formatting) and Power BI.
- Applied structured research and problem-solving methods supported by AI tools to accelerate market analysis and reporting turnaround; proposed process improvements in the sales-to-delivery handoff.
- Coordinated multi-channel lead-generation content (Instagram, WhatsApp, Google) using Canva and AI tools, sustaining the inbound pipeline feeding the client portfolio.

Management Trainee Intern | Mercedes-Benz Silver Star (Raam Group), Hyderabad
July 2022 – September 2022

- Completed structured cross-functional rotation across Business Operations, HR, Sales, and Marketing at a global automotive brand, building process discipline and stakeholder-coordination exposure.
- Owned recruitment coordination (documentation, interview scheduling, employee records) and supported process documentation and workflow coordination across functions.

Additional Exposure: Tata Motors (Virtual, Jan–Feb 2021) - management-operations exposure. My Choices Foundation (Jan 2022) — Impact Intern supporting communication design and Excel coordination.

PROJECTS & RESEARCH

Master's Thesis — Forecasting Employee Turnover in Bangalore IT Industry: An Analysis of Engagement, Growth, and Culture

- Conducted predictive research on attrition using organizational behavior theory; analyzed survey data in SPSS and Microsoft Excel to identify key drivers and generate retention insights. Academic Excellence Award - CHRIST University. Published research paper.

Independent Venture Research - Premium Co-Living Business Concept, Hyderabad

- Developed complete business masterplan covering market/location targeting across Hyderabad IT corridor (Financial District, Kokapet, Gachibowli, HITEC City), brand positioning, financial planning, and operating-model design.
