**BUSINESS OPERATIONS | CLIENT OPERATIONS | PROCESS COORDINATION | GROWTH OPERATIONS**

## PROFESSIONAL SUMMARY

Business Operations and Client Coordination professional with experience supporting a portfolio of 100+ residential clients, covering customer requirements, vendor coordination, and post-sale fulfilment. Conducted Hyderabad market research and competitor benchmarking to identify service gaps and potential business opportunities. Brings cross-functional experience from Mercedes-Benz Silver Star across customer-facing retail, operational documentation, and Retail of the Future (ROTF) business-model analysis. Also experienced in structured academic research using SPSS and Excel, with supporting exposure to operational reporting and Power BI.

## CORE SKILLS

**Business & Client Operations:** Client Portfolio Management (100+ Residential Clients), Customer Requirement Gathering, Offer Customization, Vendor Coordination, Post-Sale Fulfilment, Sales-to-Delivery Coordination, Stakeholder Coordination, Client Request Follow-up

**Process & Operational Support:** Workflow Coordination, Process Documentation, Service Continuity, Operational Follow-up, Process-Improvement Recommendations, Booking & Invoice Documentation

**Market & Growth Support:** Market Research, Competitive Intelligence, Competitor Benchmarking, Service-Gap Identification, Business Opportunity Identification, Lead-Generation Coordination

**Reporting & Tools:** Microsoft Excel (Pivot Tables, VLOOKUP, Conditional Formatting), MIS & Operational Reporting Support, Power BI (Basic Working Exposure), SPSS (Academic Research)

**Additional Exposure & Credentials:** Customer-Facing Retail Support, HR Operations Documentation, IBM Enterprise Design Thinking Practitioner, IBM Agile Explorer

## PROFESSIONAL EXPERIENCE

### Nexa Homes Pvt. Ltd. — Growth Manager and Operations Associate

*May 2025 – August 2026 | Hyderabad*

- Managed end-to-end client operations across a 100+ residential real estate portfolio, covering requirement gathering, customisation-led offers, and post-sale continuity.
- Coordinated upgrade requests, vendor handoffs, and sales-to-delivery alignment to maintain service continuity across the portfolio.
- Conducted competitive intelligence and market research on Hyderabad’s residential market, benchmarking My Home Group and ASBL to identify service gaps and differentiation opportunities.
- Developed MIS reports and operational dashboards in Excel and Power BI, consolidating field and customer data into decision-ready views for leadership.
- Identified and proposed process improvements to reduce friction in manual coordination at the sales-to-delivery handoff.
- Supported inbound lead-generation activity across Instagram, WhatsApp, and Google.

**Mercedes-Benz Silver Star — Management Trainee Intern**

- Completed a structured cross-functional rotation across HR operations, local-market marketing support, customer engagement, and retail documentation.
- Supported candidate screening, interview scheduling, and documentation.
- Participated in customer-facing vehicle discussions, matching prospect needs to relevant vehicle segments and features.
- Assisted with booking, invoice, and transaction documentation.
- Analysed the Retail of the Future (ROTF) direct-to-consumer model, examining implications for inventory access, pricing transparency, dealer economics, and customer experience (business-model study).

## PROJECTS & RESEARCH

**MBA Thesis — Forecasting Employee Turnover in the Bangalore IT Industry**
Analysed workforce survey data using SPSS and Excel.

Received **Academic Excellence Award for Outstanding Research**, CHRIST (Deemed to be University).
